Here are our quick, specific prayer requests for August 23, 2017:

- Catalina had her first doctor's appointment here in Romania today. Everything went well, but Catalina is going back for a few follow-up appointments on Thursday and Friday for routine blood work and such. Please pray for those to go well.
- The usuals - Catalina's hips and pregnancy, friends for Elin, decision about Kindergarten and which one, pastor for our church. THANK YOU!

### **Who We Met:**

**I guess landscaping is a fairly universal thing. We recently saw a group of guys walking up the street weed whacking and mowing some of the community property. As I was returning from the store, one of the men stopped me and asked if I was staying in the area. I wouldn't have known what he asked me had our encounter occurred last week, so that was encouraging!**

**I told Nicole we were staying at the house up the road and he said he lived just past us. He seemed very excited and intrigued to have us in the area. He was even more excited when I told him how beautiful Romania was, how much we loved the food, and how nice the people were. He loved that we loved Romania.**

**Please pray for Nicolae. Pray that we will see Nicolae around more. Pray that God would help our love for Romania to grow so that we can continue to encourage Romanians to love their community. Pray that God would be drawing Nicolae to himself and that we could plug him into our church community if he doesn't already have one.**
